Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$7,500/person or \$15,000/family for In- <u>Network</u> Providers.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive Care</u> . Certain <u>Prescription Drugs</u> . Vision. For more information see below.	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	\$9,200/person or \$18,400/family for In- <u>Network</u> Providers.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.anthem.com/find-care/?alphaprefix=R8E or call (855) 453-7031 for a list of <u>network providers</u> . Costs may vary by site of service and how the <u>provider</u> bills.	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>Out-of-Network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>Out-of-Network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
